Slow, Slow Sedrick

Katie Budge

Sedrick the snail was terribly slow,
as slow as a tortoise moving through snow!

Poor Sedrick is the slowest creature in the garden. His friends try to help him move faster, but all of their plans go horribly wrong! Sedrick is miserable, until he meets someone who shows him that taking your time can be a good thing.

There is something for all ages in this light-hearted tale which teaches children that it's okay to be yourself – in fact, it's a whole lot of fun!

Slow, Slow Sedrick is a charming story which teaches an important lesson about self-acceptance. Beautifully illustrated by Lauren Galley, the bright, colourful pictures really bring the narrative to life as Sedrick's friends try to help him on his journey of self-discovery.

About the author: This the second children's book from Stevenage-based Katie Budge. She aspires to write stories that children can fall in love with, while learning morals and values that will stay with them for a lifetime.
